PROFILE

Swedish secondary school student with high grades and a keen interest in the natural sciences and mathematics. I am seeking new challenges and will participate in the selective process for the International Physics Olympiad this winter. I am currently analysing ATLAS Open Data from 2016 as my secondary school diploma project.

EDUCATION

Technical program with natural sciences profile, ABB-gymnasiet 2020 - 2023
Complete and expanded secondary school program.

SKILLS

Programming	Python, C++
CAD	Autodesk Inventor
Pneumatics	Multisim, FluidSIM, CoDeSys
Other	Photo and video editing, web design

EXPERIENCE

Wheelers Lane Technology College, Birmingham 2022
Assistant teacher in Design Technology, Science, Maths, and English with year 7 to year 11.

Space Research Program, Stockholm 2022
Competed with the idea to investigate the behavior of non-newtonian fluids in microgravity.
The project was presented at the Tekniska museet in Stockholm.
